Islamabad, Pakistan

Full Stack Developer with 1 year of experience delivering modern web and Web3 applications. Skilled in building responsive, user-focused platforms with seamless integration, clean design, and performance—creating real-world solutions that combine usability with emerging technologies across diverse domains.

## Work Experience

### Full Stack Developer

Nov 2024 - Present

[DevTrove](#) | Sector G-11, Islamabad

Currently building modern Web3 and AI-powered applications with a focus on full-stack development. Working on scalable DApps, blockchain integrations, and intuitive user experiences across web and Telegram, delivering real-time tools for analytics, automation, and community engagement.

### Jr. MERN Developer

Aug 2024 - Oct 2024

*Axie Consulting* | Sector F-11, Islamabad

Worked on building and maintaining Shopify apps using Remix.js, along with frontend development in Next.js. Focused on creating fast, user-friendly merchant experiences with clean interfaces, efficient data handling, and seamless integration within the Shopify ecosystem.

## Projects

### Sudolabs

Nov 2024 - Dec 2024

Built a decentralized platform for domain sales and cloud services with AI-based suggestions, Ethereum transactions, token swaps via Ethers.js, and detailed wallet, token, and pair analytics.

### Impost AI

Feb 2025 - Apr 2025

Developed a Web3 tax management tool that tracks and organizes user finances across centralized exchanges and decentralized platforms, simplifying reporting and compliance.

### Prism AI

Jan 2025 - Jun 2025

Created a multi-chain analytics dashboard offering deep insights into tokens, NFTs, and wallets, tailored for traders and Web3 enthusiasts to make data-driven decisions.

### DeepVerify

Jun 2025 - Present

Engineered an AI and plagiarism scanning platform with community features like posts, likes, and groups—integrated with a Telegram bot for synced cross-platform results.

## Core Skills

MongoDB, Express.js, React.js, Node.js, HTML5, CSS3, Javascript, Typescript, Next.js, TailwindCSS, ethers.js, motion

## Education

Air University, Islamabad

Sep 2020 - Jun 2024

Bachelor's Computer Science

## Certificates

Front End Developer Specialization - META

Jul 2023

*Coursera*
